The Judge has reviewed the proposed redactions and finds that no changes are warranted.

Subject: redactions on defendant Huntley's sentencing memorandum

Mr. Wolf,

After consulting with the government, I submit for your review my redacted sentencing memorandum to be filed publicly pursuant to Judge Weinstein's order of May 7, 2013. In an abundance of caution, I ask that you review the redactions prior to filing.

The government has requested that I *not* file the document publicly until the time of 2PM. I would suggest that you make your review and notify me if any changes are warranted. The government will then advise me if they have secured a stay of the order. If they have not I will file the redacted document on ECF in a public format.

All parties appreciate your assistance.
